

## **Product Announcement: StorEdge Single Phase Inverter and StorEdge Interface SESTI-S4 – End of Sale from March 15, 2024**

Dear SolarEdge Partner,

This letter is to inform you of the end-of-sale of SolarEdge StorEdge Single Phase Inverter and StorEdge Interface SESTI-S4 for new installations.

Important note:

As such, SolarEdge Europe will no longer support new installations with LG batteries after 30.06.2024.

The replacements for an inverter and battery solution are the SolarEdge Home Hub and Wave Inverters - Single Phase, which are available in high volumes at the distribution channel and SolarEdge warehouse in Europe. Both Hub and Wave Inverters support connection with SolarEdge Home Battery 400V and are backed by industry-leading warranties from a single trusted vendor.

<b>End-of-Sale Product Part Number</b>	<b>Product Description</b>
SE*H-RWS00BEO4	StorEdge Single Phase Inverter with HD-Wave Technology
SE*H-RWS00BE24	StorEdge Single Phase Inverter with HD-Wave Technology with build-in meter
SESTI-S4	StorEdge Interface for Single Phase Inverters with HD-Wave Technology

### **End-of-Sale Milestones**

**Last time buy:** 15.03.2024

**Last time shipment:** 31.03.2024

**Last date to connect to the monitoring platform:** 30.06.2024

**Warranty**

Warranties in effect for the SolarEdge StorEdge Single Phase Inverter and StorEdge Interface SESTI-S4 will be honored for the remainder of the original warranty term, using either the original equipment part number or comparable equipment, at SolarEdge's discretion.

**Support**

Support for the SolarEdge StorEdge Single Phase Inverter and StorEdge Interface SESTI-S4 through SolarEdge support centers will continue until the end of the warranty period.

**Service**

For RMA and service, SolarEdge field service engineers will continue to recommission inverters replaced in the field where LG batteries have been installed.
